

SPILLAGE

SPILLAGE IS A TRICK I LEARNED FROM A BIG-DEAL POET.

SPILLAGE IS WHEN YOU SET A TIMER FOR, SAY, FIVE MINUTES. AND YOU WRITE NON-STOP FOR FIVE MINUTES. WHATEVER COMES UP. HIGHS. LOWS. JOYS. CONCERNS. WEIRD STUFF. BORING STUFF.

IF YOU GET STUCK, YOU CAN WRITE, DUDE, I'M STUCK. IF YOU STAY STUCK, YOU CAN WRITE, BABE, WHAT'S NEXT? YOU JUST KEEP THE PENCIL MOVING.

BY THE WAY, I BELIEVE PENCIL ON PAPER IS BEST. THEN INK ON PAPER. AND IF NECESSARY, WRITE LIKE I'M WRITING THIS, ON A KEYBOARD, USING THE DANGEROUS WRITING APP WEBSITE. BECAUSE IF I STOP FOR TOO LONG, EVERYTHING I WRITE DISAPPEARS.

THIS PRACTICE CAN HELP YOU GET UNSTUCK ON AN ESSAY. THIS PRACTICE CAN HELP LOOSEN AN EMOTIONAL BURDEN. THIS PRACTICE, DONE DAILY FOR, SAY, 21 MINUTES, CAN TRANSFORM YOUR LIFE.

BUT FIVE MINUTES A DAY IS A GOOD PLACE TO START.

ON YOUR MARK, GET SET . . .
